

T3035H, T3050H

Snubberless™ high temperature 30 A Triacs

Datasheet - production data

Features

- High current Triac
- High immunity level
- · Low thermal resistance with clip bounding
- RoHS (2002/95/EC) compliant package
- Very high commutation (3Q) at 150 °C capability
- UL certified (ref. file E81734)

Applications

Thanks to its high electrical noise immunity level and its strong current robustness, the T3035H, T3050H series is designed for the control of AC actuators in appliances and industrial systems.

Description

Specifically designed to operate at 150 °C, the new 30 A T3035H, T3050H Triacs provide very high dynamic performance and enhanced performance in terms of power loss and thermal dissipation. This allows optimizing the heatsink size, leading to space and cost effectiveness when compared to electro-mechanical solutions.

Based on ST Snubberless $^{\text{TM}}$ technology, they offer a specified minimal commutation and high noise immunity levels valid up to the T_i max.

The T3035H, T3050H series optimize safely the control of universal motors and of inductive loads found in power tools and major appliances.

By using an internal ceramic pad, the T3035H-6I, T3050H-6I provides voltage insulation (rated at 2500 V rms).

Table 1. Device summary

| Order code | Package | V _{DRM} /V _{RRM} | I _{GT} | I _{T(RMS)} |
|---------------|-----------|------------------------------------|-----------------|---------------------|
| T3035H-6T | TO-220AB | 600 V | 35 mA | |
| T3050H-6T | 10-220AB | | 50 mA | 30 A |
| T3035H-6I | TO-220AB | | 35 mA | 30 A |
| T3050H-6I | insulated | | 50 mA | |

Package information T3035H, T3050H

2 Package information

- Epoxy meets UL94, V0
- Lead-free package
- Recommended torque: 0.4 to 0.6 N·m

In order to meet environmental requirements, ST offers these devices in different grades of ECOPACK[®] packages, depending on their level of environmental compliance. ECOPACK[®] specifications, grade definitions and product status are available at: www.st.com. ECOPACK[®] is an ST trademark.
